South African Airways SOC Ltd Reg. No. 1997/022444/30
1. Introduction

1.1. In terms of section 132(3) of the Companies Act 71 of 2008 ("Act"), if a company’s business rescue proceedings have not ended within three (3) months after the start of those proceedings, or such longer time as the court, on application by the practitioner, may allow, the practitioner must –

1.1.1. prepare a report on the progress of the business rescue proceedings, and update it at the end of each subsequent month until the end of those proceedings; and

1.1.2. deliver the report and each update in the prescribed manner to each affected person, and to the:

1.1.2.1. Court, if the proceedings have been the subject of a court order; or
1.1.2.2. Commission, in any other case.

1.2. Therefore, as required, this Fifth Update Report is being tabled in terms of section 132(3)(a).

2. Since the Fourth Update Report of June 2020

2.1. Business Rescue Plan

2.1.1. Following the adjournment on 25 June 2020, the meeting of creditors and other holders of a voting interest, as contemplated in terms of section 151 of the Companies Act, was held in respect of the Company on 14 July 2020.

2.1.2. At the Meeting the outcome on the voting on the proposed amendments was as follows:

2.1.2.1. 88% (eighty eight percent) of creditors, with a voting interest, voted in favour of the proposed amendments, which were incorporated into the business rescue plan prior to the voting on the business rescue plan with its amendments.

2.1.3. The outcome of the vote on the business rescue plan, incorporating the proposed amendments, at the Meeting was as follows:

2.1.3.1. 86% (eighty six percent) of creditors, with a voting interest, voted in favour of the adoption of the plan as proposed by the business rescue practitioners, as amended ("the Plan"); and
2.1.3.2. 85% (eighty five percent) of independent creditors (as defined in the Companies Act), with a voting interest, voted in favour of the adoption of the Plan.

2.1.3.3. The remaining creditors with voting interests either rejected the Plan or abstained from voting.

2.1.4. In terms of section 152 (2) of the Companies Act, the proposed business rescue plan will be approved on a preliminary basis if:

2.1.4.1. It has been supported by the holders of more than 75% (seventy five percent) of the creditors’ voting interest that were voted; and

2.1.4.2. The votes in support of the proposed plan included at least 50% (fifty percent) of the independent creditors’ voting interest, if any, that were voted.

2.1.5. In light of the above votes cast at the Meeting, the business rescue practitioners notified all creditors and holders of a voting interest, together with all other affected persons that the Plan had been approved and adopted in accordance with section 152 (3) (b) of the Companies Act.

2.1.6. It was noted that the Plan was subject to the fulfilment of the conditions as set out in paragraph 42 of the Plan.

2.1.7. A report detailing the status of the fulfillment of the conditions as set out in paragraph 42 of the Plan was distributed to all affected parties on 23 July 2020.

2.1.7.1. The report detailed that all but one of the conditions had been fulfilled with the exception of 42.1.6.

2.1.7.2. A meeting of creditors as contemplated in paragraph 42.2 of the Plan was convened on 24 July 2020 in order to amend paragraph 42.2.

2.1.7.3. At the Meeting the outcome on the voting on the proposed amendments was as follows:

2.1.7.3.1. 95% (ninety five percent) of creditors, with a voting interest, voted in favour of the proposed amendments.

2.1.7.3.2. 95% (ninety five percent) of independent creditors (as defined in the Companies Act), with a voting interest, voted in favour of the proposed amendments.

2.1.7.3.3. The remaining creditors with voting interests either rejected the amendments or abstained from voting.

2.1.7.4. Following the fulfilment of all conditions on or before 27 July 2020, the Plan became unconditional and came into operation.

2.2. Litigation

2.2.1. On 9 July 2020, the Labour Appeal Court handed down its judgment in the urgent appeal. The issue in dispute was whether or not a section 189 process may be initiated prior to a business rescue plan having been published and/or adopted. The
Labour Appeal Court held that business rescue practitioners may not issue notices in terms of section 189(3) of the Labour Relations Act 66 of 1995, until such time that the business rescue plan is published and/or adopted. As such, the BRPs withdrew the section 189 process initiated in March 2020 and, once the business rescue plan had been adopted, commenced a new section 189 process on 18 July 2020.

2.3. Impact of COVID-19

2.3.1.1. Other than the repatriation and cargo charters, no commercial operations took place during the month of July 2020.

3. Proof of Claims

3.1. Many claims have been lodged with the BRPs for proof but there still remains a large number of claims outstanding and creditors who have yet to submit their claims are encouraged to do so before the publication of the plan.

3.2. Claims can be submitted via the online form, which can be found on www.matusonassociates.co.za/saa. A claim form has been provided (Manual Claim Form) for those unable to complete the online form.

3.3. A mechanism for the resolution of disputed claims will be included in the plan, unless any dispute can be resolved between the BRPs and the creditor.
